Dishwasher : No  
TV : No

## Various

**Remarks :**

The Bayliner Trophy 2102 is a versatile fishing boat with a deep V hull that provides a dry and stable ride ideal for finding fishing locations or general recreational use. These are popular boats that are suitable for inshore and offshore fishing trips. The walkaround design makes it easy to access the bow, giving you a secondary fishing spot or an accessible place to relax and the cosy cuddy cabin gives you a comfortable place to relax away from the weather. Complete with rodholders and livewells, this is a great boat to get out on the water and enjoy some fishing. The Mercury Verado 150 Hp engine means this boat does not lack for power and will get you from A to B efficiently.

Bama Breeze has been well looked after by her current owners and the engine has been regularly serviced. This is a fantastic day boat that will provide great enjoyment to the new owner.

She is available to view 7 days a week. Please contact Douglas Ross on 07469972705 to arrange a viewing.

**Accommodation :**

This Sports fisher provides overnight accommodation for two. The saloon has a table which can also be used in the cockpit. The cockpit has removable seating.
