**Remarks :**

**2008 ISLAND PACKET 465**

A superbly equipped and exceptionally well-maintained example of the highly capable Island Packet 465. Designed by Bob Johnson and built in Florida, this 2008 model was launched in 2009 and has been extensively upgraded between 2021&ndash;2025 for serious bluewater cruising. Her cutter rig, full keel, and robust GRP construction make her ideal for ocean passages, while her spacious interior, modern systems, and quality finish offer luxurious comfort onboard.

Featuring two queen-size staterooms with ensuite heads and separate showers, a generous saloon with over 7ft headroom, and a beautifully appointed galley, this vessel is ready for long-distance cruising or liveaboard life.

**HIGHLIGHTS LISTED BELOW BUT INCLUDED IN FULL SPECS:**

- Standing and running rigging replaced (2021&ndash;2024)

- Full epoxy barrier coat and antifoul (2025)

- Victron lithium power system with solar array and inverter/chargers

- Raymarine Axiom Pro 2 plotter, Doppler radar, autopilot & AIS (2022&ndash;2024)

- New Vetus bow thruster motor and batteries (2024)

- Generator: 8kW Yanmar MAS with only 1,076 hours (serviced 2024)

- Two queen cabins with ensuite heads and separate shower stalls

Now lifted ashore at Preveza, Greece. This provides a fantastic opportunity for inspection afloat while the yacht remains in commission. Early viewings are strongly encouraged &ndash; this is a turn-key offshore cruising yacht in outstanding condition, and rarely available at this level of outfitting and preparation.

**REMARKS**

This Island Packet 465 stands out for its condition, systems, and thoughtful upgrades. Every element has been addressed with offshore reliability in mind, from lithium battery banks and solar power to safety, comfort, and interior customisation. A genuinely turn-key yacht for discerning buyers seeking quality, comfort, and serious bluewater capability.
