Remarks :

The Cobra Nautique 8m RIB is a premium British-built rigid inflatable boat renowned for its sleek design, offshore performance, and family-friendly versatility. With a hull length of approximately 8.1 metres and a deep-V Evolution design, it delivers a soft, dry ride in all conditions—ideal for coastal cruising, island hopping, or watersports.

Built with high-quality GRP and Hypalon tubes, the Cobra 8m balances form and function, offering excellent seaworthiness, luxury comfort, and sporty performance. Fitted with a single Yamaha F300 outboard, this RIB can reach speeds close to 50 knots while maintaining impressive fuel efficiency and handling at cruising speeds.

Onboard, the layout is both practical and stylish. The spacious deck features folding helm seats, a convertible bow sunbed, and ample space for relaxing or entertaining guests. Certified to CE Category B, it's built for offshore adventures, family cruising and can safely carry up to 12 passengers.

"The Great Escape" has been well cared for and recently upgraded with new premium diamond stitched slivertex upholstery, Garmin chart plotter, VHF and speakers. She has mainly had Solent usage with annual trips to Devon which demonstrate just how capable these RIB's are at covering greater distances in comfort. She is ready to go at a moments notice with her new owners

Viewing by appointment please call 01243 550042 to arrange a viewing.
