Various

Remarks :

The Beneteau Oceanis Clipper 343 is a quick, responsive, family cruising yacht with a fin keel. The comfortable well designed accommodation is light and airy and has a forward double berth cabin and an aft double berth cabin. Spacious cockpit with wheel steering. At anchor, the wheel pivots to one side to give better movement within the cockpit. New Saturn Sails sprayhood fitted September 2024, bow thruster to aid marina berthing and this Beneteau Clipper 343 is powered by a Yanmar 29hp engine, installed 2020, very low hours. Price reflects that renewals are required on the boat, further details within the comment section in the specification. Reasonable offers will be considered.

Part exchange and finance available

Accommodation :

The forward cabin with double V berth, good storage, and shelving, hanging locker and opening roof hatch. A door leads through to the saloon with bench settees to port and starboard (with lee cloths), central dining table with storage and drop leaves. Port settee can be converted to a double berth with the infill cushion.

Aft facing chart table to starboard and aft of this, the heads compartment. L shaped galley to port, door to the aft cabin to port past the galley. This cabin has a double berth, good storage, a hanging locker and an opening roof hatch to the cockpit. Hull portlights, stern portlight and opening portlights to the deck and to the cockpit give this cabin a spacious feel.

In the saloon, two opening roof hatches, two fixed skylights, two fixed portlights and two hull portlights add to the light and airy feel. There are blinds to all the hatches and portlights.

Central companionway with hinged engine access, leads to the well designed cockpit.

**Galley **

Two ring gas stove with oven

Front opening fridge

Stainless steel sink

Hot and cold water system

Storage

Opening portlight

Fire blanket
Jack stays

Comment

The listed price reflects that some renewals and replacements are required on this boat. The stack pack and lazy jacks require replaced, some running rigging should be replaced or washed, warps replaced, gas hose renewed. The standing rigging is believed to be original and should be renewed to comply with Insurers requirements. There are a small number of minor items such as rusty anchor shackle, washboard lock, that need attention.

This Beneteau Oceanis 343 has had limited use since the Yanmar engine was fitted in 2020. Reasonable offers will be considered.
