Remarks :

Stunning Custom Built Steel Hulled Ketch, designed for High Latitude expedition sailing, No expense has been spared in the construction of Santosa a beautiful Blue water cruiser she was launched in 2017 This go anywhere Yacht must be viewed

Accommodation :

Summary of Accommodation:

8 persons MCA charter 3 x double 2 x Pullman
Interior design by Design Unlimited (Mark Tucker)
Interior construction Rookwood Joinery, Chichester

Finish: Light American oak Sole: 2mm veneer holly/teak

Coach roof Gebo 10mm toughened
Gebo portlights
Gebo hatches

Description of layout:

Two double ensuite cabins (mirrored port and stbd):
Mirrored locker, drawers and wardrobes
Split mattress with divisional lee cloths
Fold down leather seat
Portlights with blackout blinds
Overhead hatch with Oceanair sky screen/blackout/mosquito screen

Adjustable/directional dorade ventilation
Adjustable stork LED reading lights
Berth double sockets/USB adapters
CO and smoke alarms, 1kg powder fire extinguisher

Air conditioning and thermostat heating controls

Forward double portside cabin (shared heads):
Locker, drawers and wardrobe
Split mattress with divisional lee cloths
Mirrored vanity unit with leather seat
Portlights with blackout blinds
Overhead hatch with Oceanair sky screen/blackout/mosquito screen

Adjustable/directional dorade ventilation
Adjustable stork LED reading lights
Berth double sockets/USB adapters
CO and smoke alarms, 1kg powder fire extinguisher
Air conditioning and thermostat heating controls

Aft systems room (access through either aft cabin):
Calorifier/pressurised water pump
Hy-drive hydraulic feedback unit and autopilot pump
Control junction boxes
Drawers spares/technical manuals

Saloon:
Raised saloon for panoramic dining views
Wrap around leather seating in Ivory
Saloon dining table for 6-8 people on adjustable pedestal
All surround Oceanair Skysol blinds (retains heat in colder climates or blocks excessive heat in hot climates)
Under-seating and side access storage

Saloon wet locker (portside):
Vented wet locker with adjustable engine heat diversion baffle for easy drying of foul weather gear

Navigation internal helm:
Helmsman swivel chair in black leather with armrests, mounted on a pedestal with forward/backward rise/fall movement for chart table or internal helm positions

Pullman (stbd with shared heads):
Two full-length berths with lee cloths
Under-berth locker and side locker/storage
Top berth with portlight blackout blind
Overhead hatch with Oceanair sky screen/blackout/mosquito screen

Adjustable/directional dorade ventilation
Adjustable stork LED reading lights
Berth double sockets/USB adapters
CO and smoke alarms, 1kg powder fire extinguisher
Air conditioning and

extinguisher Air conditioning and thermostat heating controls <p>Aft systems room (access

through either aft cabin):

- Calorifier/pressurised water pump
- Hy-drive hydraulic feedback unit and autopilot pump
- Control junction boxes
- Drawers spares/technical manuals

Saloon:

- Raised saloon for panoramic dining views
- Wrap around leather seating in Ivory
- Saloon dining table for 6-8 people on adjustable pedestal
- All surround Oceanair Skysol blinds (retains heat in colder climates or blocks excessive heat in hot climates)
- Under-seating and side access storage

Saloon wet locker (portside):

- Vented wet locker with adjustable engine heat diversion baffle for easy drying of foul weather gear

Navigation internal helm:

- Helmsman swivel chair in black leather with armrests, mounted on a pedestal with forward/backward rise/fall movement for chart table or internal helm positions
- Pullman (stbd with shared heads)
- Two full-length berths with lee cloths
- Under-berth locker and side locker/storage
- Top berth with portlight blackout blind
- Overhead hatch with Oceanair sky screen/blackout/mosquito screen
- Adjustable/directional dorade ventilation
- Adjustable stork LED reading lights
- Berth double sockets/USB adapters
- CO and smoke alarms, 1kg powder fire extinguisher
- Air conditioning and thermostat heating controls

All heads (3):

- Sanimarin 35 electric macerating (unit marinized for trouble free operation)
- Option for fresh water/sea water switching
- Overboard/holding tank diverter switching
- Enclosed shower cubicle with adjustable eco-air head
- Internal shower seat
- Corian surfaces in blue
- Fixed mirror
- Storage locker
- Heated towel rail
- Enclosed toilet roll holder
- Fixed toilet brush
- Fixed liquid soap holder

Dinette:

- Ivory leather seating area
- Adjustable table allowing dining or buffet style serving of food
- Area converts to comfortable sleeping area using adjustable table
- Drinks cabinet, storage locker and bookshelf (with hidden storage hole)
- Overhead hatch with Oceanair sky screen/blackout/mosquito screen
- Internally adjustable dorade ventilation
- Lina 24" Smart TV/DVD combi
- Fusion stereo system
- Portlight blackout blind

Galley:

- Corian worksurfaces in Oatmeal
- Gimballed Force 10 4 burner gas cooker
- Microwave
- Double stainless steel sink with swan neck mixer tap with spray hose
- Quooker instant boiling water tap
- 80lt top loading freezer (water cooled)
- 80lt top loading fridge (air cooled)
- LED strip undercounter lighting white/red
- Tip-toe freshwater foot pump

Workshop:

- Stainless steel surface workbench with swivel vice
- Storage for all power tools/Wera tool bags to wall mounted cradles
- Crash watertight bulkhead door to anchor box

Engine room and engine controls:

- Overhead access to engine and generator bay through large hinged hatch within the saloon sole
- 45mm halyard maritex sound insulation throughout engine bay and sole
- Engine blower override for cool working environment
- Twin engine control panels
- Twin throttle/gearbox controls for each helm position

Deck Equipment:

Rig:

- Bespoke high latitude commission rig through The Rig Shop (Southampton), main and mizzen masts
- Frederiksen tracks/Ronstan cars
- Mast steps
- Navtec hydraulic backstays/vang
- Seldon hydraulic furling for genoa and staysail
- Pole stowed on mast/uphaul/downhaul
- Backstay insulated for SSB aerial
- 2nd Spinnaker halyard
- Running check-stays

Winches:

- Anderson winches, electronic mainsheet/main halyard

GROUND TACKLE.

55 to 80 metres of 13mm galvanised chain and powered through Maxwell 3500 hydraulic windlass.

Pendant connection control at bow or at helm position.

Bruce 50kg to 80 metres of 13mm galvanised chain and powered through Maxwell 3500

hydraulic windlass.

Pendant connection control at bow or at helm position.

Each chain set into Anchor box within Anchor locker.

(gold plated pins for male/female connections on pendant

sockets. Sockets subdivided as 3 separate ring-mains and trips on AC panel

- Separate 16 amp plug in/lazarette for running general tools/dive compressor
- Mastervolt AC/DC Mass Sine Wave Invertor 2500w
- Mastervolt Mass System switch 10kW interfaced for automatic AC switching between generator, invertor and shore power

Battery Banks:

- Voltage system SERVICE BATTERIES 24v for 810Ah. (replaced July 2024)
- 6 x AGM Gel Mastervolt 270Ah
- 2 x 3 sets in parallel and sets connected in series for 24v
- Service battery charging through Mastervolt mass 24/100 charging from Mastervolt 24/100 engine alternator and Mastervolt Whisper 10 Ultra 1500rpm charging through Alpha pro regulator)
- 2 x AGM Gel Mastervolt 70Ah. Engine battery bank
- 2 x linked in series for 24v
- 1 x AGM Gel Mastervolt 70Ah. Generator battery bank
- 1 x for 12v

Battery Chargers:

- Charging through standard engine alternator
- Emergency isolation switch service/engine for emergency start on engine

Generator:

- Infrastructure laid for tow generator
- Mastervolt Whisper 10 Ultra 1500rpm. Last service July 2025

Shore Power:

- Shore-power connection through Mastervolt isolation transformer Mastervolt Mass GI 3.5 16 amp
