SAT-TV : No	TV : No

Various

Remarks :

Spare Rib is a well-presented 2008 Zodiac Medline III offering the space, performance, and comfort that makes this model so popular. Powered by twin Yamaha 150HP 4-stroke outboards with hydraulic steering, she delivers strong and dependable performance for cruising, watersports, or long days out on the water.

The layout is designed for relaxation and socialising, with a large bimini providing shade over the generous cockpit, flexible seating including fold-down helm and passenger seats, a cockpit table, bow filler cushion, and a wet bar with freshwater supply. The recent upgrades — including new batteries, fresh bilge pumps, and the re-glued tubes in 2025 — mean she’s ready for the season.

Well-equipped with Raymarine navigation electronics, radar, VHF, and a quality Fusion sound system, Spare Rib is equally suited to family outings, fishing trips, or days spent enjoying the sun and sea.

Accommodation :

Inventory :
