I am selling my used Tuccoli 210 boat.

Design and Construction

Length overall: approximately 6.80 m, beam 2.55 m, for a deck area of approximately 13.5 m²;
Integral stratified hull, variable thicknesses from 8 mm on the sides to 15 mm at the keel, reinforced by an internal structure partially counter-molded
Deck in sandwich, with PVC core of 15 mm (density 60 kg/m³), total thicknesses between 20 and 25 mm
Construction in vinyl ester and polyester stratified by hand, respecting ISO standards to ensure increased robustness
Deadrise angle of 20°, for a balance between safety and comfort at cruising speeds of 25-27 knots
Cruising speed: approximately 24-27 knots, maximum speed: up to 40-43 knots

Capacity and Equipment

Displacement: approximately 1,800 kg

Fuel tank capacity: between 250-270 L, freshwater tank: 40 to 70 L depending on sources
Fishing Amenities

Pilot station designed for fishing: three levels with worktop, smoked plexiglass edge to organize equipment and electronics.
VM Seat: bench for 4 adults, modular storage and insulated fish box.
Included fishing equipment: rear live well, retractable shower, new storage compartments distributed on the deck.
Padded gunwales, swim ladder, T-Top, bilge pump, courtesy lights
Designed to optimize space organization and free the fisherman from constraints, thanks to the collaboration with champion Marco Volpi

Mobility and Advantages

Easy to tow thanks to its width of 2.50 m: ideal for easy transport

Length / Width ~6.80 m / 2.55 m
Deck Area ~13.5 m²;
Construction Stratified, sandwich deck (PVC 15 mm), vinyl ester/polyester
Displacement ~1,800 kg
Fuel / Water ~250-270 L / 40-70 L
Engine Power Up to 250 hp
Speed (Cruising / Max) ~24-27 knots / ~40-43 knots

Consumption ~26 L/h

CE Category C €“ 6 pers., D €“ 8 pers.

Available Seats VM Seat, Gourmet Seat, Leaning Post (with optional fridge)

Fishing Equipment Live well, shower, storage compartments, gunwales (opt.), T-Top, etc.

Practical Advantages No registration, easy to tow, reduced port tariffs.

In Summary

The Tuccoli T210 VM (2021) stands out for its compactness, versatility, and optimization for fishing. Heir to a solid Italian know-how, it offers

A robust and light hull combined with a very well structured deck

Convincing dynamic performances with controlled consumption

It is an ideal choice for those who want a performing boat, well designed for fishing, easy to navigate in the Mediterranean, More details and pictures on xboat.uk
