Remarks :
This 2024 Dutch built Interboat 19 is a beauty and is in, as new condition. She has wheel steering and is powered by a shaft driven 27HP Vetus diesel engine with only 12 running hours. Her inventory includes a complete set of cockpit cushions with back rests, sprayhood, boat cover, swim ladder, depth sounder, electric bilge pump, stainless steel anchor with chain and warp, mooring lines and fenders. She can carry up to 9 people and can be used for coastal, lake and river use (Category C). She is one of the nicest boats that I have seen of this type.

Builders Comments

The Interboat 19 is a beautifully finished sloop with a timeless design, with her beautiful sheer and clinker-built hull. Suitable for Category C (coastal waters) and is ideal for exploring both small and large waters. The spacious cockpit offers very comfortable seating for nine people. The high backrests and deep seats ensure hours of cruising pleasure."

Owner's Comments

I went out the harbour on a rough day and she was well up to it (a bit wet)."

Brokers Comments

"This is truly a sweet boat. The owner is reluctantly selling because he does not have the time to use it. "Tern II" is like new and there is a considerable saving on price compared to the cost of a new boat."
