Elan 333

The Elan 333 is a race-cruiser sailboat designed by the renowned Elan Yachts shipyard. This boat is renowned for its performance, comfort, and versatility, making it an ideal choice for both competitive sailors and cruising enthusiasts.

Main characteristics:

- Length overall:** 9.99 m
- Hull length:** 9.99 m
- Beam (width):** 3.35 m
- Draft:** 1.85 m (lifting keel) / 2.30 m (fixed keel)
- Displacement:** 4,700 kg
- Sail area upwind:** 59.5 m²
- Sail area downwind:** 105 m²
- Designer:** Rob Humphreys
- Builder:** Elan Yachts
- Year of construction:** 1995-2002

Performance and maneuverability:

The Elan 333 is equipped with a lifting or fixed keel, offering great versatility in terms of navigation. Its fiberglass hull and well-designed sail plan allow for optimal performance, both for cruising and racing. The boat is also known for its stability and responsiveness, making it an excellent choice for demanding sailors.

Comfort and habitability:

The interior of the Elan 333 is spacious and well-designed, offering a comfortable main cabin with sleeping accommodations for 6 people. The kitchen and living spaces are functional and well-appointed, allowing for long cruises in complete serenity. The finishes are of high quality, reflecting the expertise of the Elan Yachts shipyard.

Safety and equipment:

The Elan 333 is equipped with numerous safety devices, such as buoyancy reserves, pumping systems, and modern communication equipment. It is also possible to customize the equipment according to the specific needs of the owners, whether for cruising or racing.
