Remarks :

We are pleased to bring to market this lovely Beneteau Oceanis 281 Clipper. With second owner from new she has been very well looked after and is only for sale due to the current owner thinking of upgrading to a larger boat. Featuring several upgrades over the last few years including standing rigging in 2021 she is sure to provide many happy years of boating ahead.

'Entropy' presents particularly well and we strongly advise a viewing if you are looking for a boat within the size and price range. Afloat is Chichester Marina she is available to view 6 days a week. Please call us on 01243 550042 for more information.
