## Various

**Remarks :**

This 1992 Hardy motor cruiser, designed by David & John Hardy and built by Hardy Marine Ltd, is a robust and versatile vessel, ideal for coastal cruising or inland waterways.

With a solid GRP semi-displacement/planing hull, she combines performance with stability.

The Volvo Penta AD31B turbo diesel engine has been regularly serviced, ensuring reliable operation.

Well-equipped with quality navigation aids, including a Navman chartplotter, fishfinder, Autohelm pilot, and VHF DSC radio, she offers confident handling and ease of navigation.

The spacious rear cockpit provides comfortable seating for 6+ and includes ample storage, a helm station, and easy access to the well-appointed saloon.

Accommodation is generous, sleeping up to 4 with a forward V-berth and a convertible dinette berth.

The galley features a four-burner cooker and stainless sink, while the separate heads compartment adds cruising comfort. Additional features such as a bow thruster, trim tabs, diesel cabin heating, and a 240v shorepower system round out a comprehensive and practical cruising package. This Hardy is a well-maintained example, ready for new adventures.

**Accommodation :**

Sleeps 4 in 1 cabin

Forward double V berth

Portside single berth that converts to a double berth

Small galley
