Various

Remarks :

<p data-start="107" data-end="405">Built by Seaward Marine and designed by Arthur Mursell, this rugged and capable Seaward 23 features a GRP semi-displacement hull with teak brightwork and twin rudders. Powered by twin Mermaid 56hp diesel engines on shafts, she offers solid performance with Bennett trim tabs for enhanced stability.**</p><p data-start="407" data-end="633">**Well-equipped for navigation with Raymarine and Garmin electronics, she also includes shorepower, an inverter, and USB charging. The cockpit features ample seating, a teak table, and both summer (new 2024) and winter canopies.**</p><p data-start="635" data-end="885">**Below deck, there’s a compact galley with hob, grill, microwave, and sink, plus a separate heads compartment with Jabsco toilet and basin. With 210L fuel and 190L water capacity, diesel heating, and reliable systems, she's ideal for coastal cruising.**</p>**

Accommodation :

Sleeps 2 in 1 cabin

U-shaped seating in the saloon

Small galley to starboard

Separate heads to port

Saloon/Cabin:

U-shaped seating forward

Saloon table that drops to house the infill for a large double berth

All Safety equipment listed is included in the sale, but the vendor offers no warranties.
The purchaser must service the safety equipment, ensure it is appropriate for his purposes, & check the expiry and service dates on all items!

Electric rotating searchlight
Stainless steel foghorns
Motoring cone
Navigation lights
Electric automatic bilge pump with alarm
Manual bilge pump
Fire extinguisher
Fire blanket

Equipment:

Canvas cockpit canopy (NEW 2024)
Winter full cockpit canopy
Various warps & fenders
CD/Rdio player with Fusion speakers
Boathooks x 2

Mechanical :

Construction:
Built by Seaward Marine in 1989
Designed by Arthur Mursell
GRP hull deck & superstructure

Semi displacement hull

Wheel steering with twin rudders

Teak brightwork

Mechanics:

Twin Mermaid 56hp diesel engines

Single lever engine morse controls

Shaft driven

3-blade fixed-pitch propellers

Bennett trim tabs

Electrics:

2 x 12v 105ah batteries

Charging from Sterling Power Products 1800-watt inverter

Charging from engine alternators

240v shorepower system, with plug sockets

12v USB socket

Tankage:

Fuel capacity 210 litres

Freshwater capacity 190 litres

Water System:

Pressurised water

Cold water
