Remarks :

The Sealine S24 is a compact and comfortable Sports-Cruiser that is easily handled and provides suitable accomodation for it's passengers. With a fully functioning galley and 4 berths down below this is an ideal boat for weekend trips with friends or family. There is ample headroom in the galley that boasts a 2xburner hob, a grill, a sink and a fridge hence you will have no problem providing food and drink for the crew whilst out on the water.

The Sealine S24 is powered by a Volvo Penta four cylinder diesel engine with 170hp that is capable of pushing the boat through the water at 30 knots, ideal for getting you from A to B. With excellent manouvreability and a good turn of speed the Sealine S24 provides a great platform from which to enjoy the ocean views and the aft cleats allow you to engage in watersports.

'Apache' has been well maintained and cared for by her current owner who has kept her clean and tidy, regularly serviced the engine and kept up to date with regular maintenance. This is a great example of a Sealine S24 at a great price.

She is available for viewing in Lymington 7 days a week. Please contact Douglas Ross on 07469972705 to arrange a viewing.
