## Various

**Remarks :**

The Northstar Axis 4.2 is a brilliantly designed compact RIB, created to make boating simple, safe, and enjoyable for the whole family. Its standout self-draining deck system allows the boat to be left afloat all season without worry &mdash; so no wet feet or draining batteries!</p><p>Lightweight, easy to helm, and economical to run, the Axis 4.2 is versatile enough for estuary runs, family trips to the beach, or even watersports thanks to its responsive 50hp Honda outboard. With clever use of space, a family-friendly layout, and smart extras such as a bow sun-pad conversion and large storage lockers, this is an excellent turnkey package for first-time owners or as a reliable runabout.</p>

**Accommodation :**

**Inventory :**

- Simrad chart-plotter / fish-finder</li>- Handheld VHF radio</li>- Additional seat beside helm console</li>- Sunpad base with infill cushion (converts bow area to sunpad)</li>- Custom-made lightweight on-water cover (easy to fit and stow)</li>- USB phone charging ports</li>- Anchor, chain & line</li>- Antifouling applied</li>

**Mechanical :**

- Honda BF50D outboard (50hp) &ndash; Serial: BBEJ-1326847</li>- Engine year: 2024 (per HIN: TR-RIB1VC01A424)</li>- Hydraulic steering upgrade</li>- Delta-lift hull for easy planing</li>- Dry weight approx. 400kg (with engine)</li>- Self-bailing deck system</li>- Ergonomic console design</li>
