Remarks :

The Penpol 27 is fantastic cruising yacht ideal for someone looking for an adventure on a budget. Built by the Penpol boatyard in Fowey, Cornwall the hull is the same as that of the Nova 27 and cuts through the water nicely. It is a well designed, well built boat that is very roomy for her length with more than 6ft of headroom down below. She sleeps 5 with 2 berths in a cosy forward cabin, 2 in the main cabin and a quarter berth. She can be sailed single handed as all lines lead aft to the cockpit and she has in-boom mainsail reefing. Down below the interior is fitted with teak to a high standard by Cornish craftsmen.

'Pol D'or has been well maintained and cared for by its current owners who have kept up to date with maintenance. The engine is reliable and little used with low running hours and the standing and running rigging is in good condition. She comes with a full set of sails, a full set of navigation equipment as well as deck equipment. This is a ready to sail boat that is ideal for those looking for an adventure on the sea.

She is available to view in Lymington 7 days a week. Please contact Douglas Ross on 07469972705 to arrange a viewing.
