Remarks :

Here is a compact cruiser of 30 feet with "Tardis" like interior. Exceptionally spacious and bright interior. Designed with safety and stability in mind this cruiser has proved popular across Europe with a production run of some 280 units. Double skinned with foam core hull rendering the boat almost unsinkable. A really safe boat for the cruising family and making it a warm hull in the Winter and cool in the Summer with then benefit of no condensation. No need for a dehumidifier. A bright saloon with spacious aft cabin and open plan forepeak with a double berth and sliding privacy panels. Extraordinary livability in a well designed interior with ample cupboards and a wet locker accessible from the heads. Easily handled rig and shallow draft tandem keel makes this yacht ideal for access to small harbours and inlets normally denied to other yachts in its class.

Accommodation :

Spacious and bright main saloon with large front and side windows in the coachhouse.

Two settee seats with lifting backs to provide berths.
