Remarks :

The Ribeye 785 S is a performance RIB designed with Speed and style in mind. This is where performance meets luxury with safe, comfortable seating that will keep you in relative comfort at high speeds. Engineered by Ribeye to carry you over the water at speeds exceeding 50 knots, propelled by her Yamaha 250hp engine. She features a deep V planing hull that will keep you comfortable in even choppy conditions. She delivers thrilling acceleration, razor-sharp handling and high-performance agility. The Ribeye 785 S is a versatile craft with applications in watersports, port hopping, guest transfer and coastal cruising.

The Engine has been well maintained with regular servicing and she has had a new gearbox fitted in 2023. She has a new VHF from 2025 and comes with a New cockpit cover.
