Various

<p>XBOAT ref :6202.

This very beautiful owner's version of the PRIVILEGE SERIE 5 with 4 cabins and 4 heads is refined and contemporary with its satin oak joinery and grooved flooring. The U-shaped kitchen is separated from the saloon by a bar counter, the chart table is easily accessible via the large sliding stainless steel door that separates the cockpit. The central owner's suite on the bow offers beautiful volumes with a large separate shower and its toilet. Two double cabins occupy the aft, while a 4th cabin on the starboard bow often serves as a storage area ...

Teak decking for the cockpit, 2 white lacquered aluminum davits at the stern with the fixed platform, the comfortable fenders, the cockpit with its large telescopic table and large benches attest to a beautiful finish and promise great comfort.

The equipment is complete, gennaker, solar panels on a fixed arch, generator, air conditioning, desalinator, in short, a well-thought-out unit for great comfort; the electronics are not left behind, and many spare parts will delight you.

Video tour available upon request.

The boat is available immediately in Portugal; the owners are soon to embark on their next multi for a new program! More details and pictures on xboat.uk</p>
