The LAGOON 630MY motor catamaran is currently one of the leaders in the motor catamaran market. This unit, built in 2016, is a proprietary version with 4 double cabins, featuring a galley at the port aft and direct access to the cockpit, thus allowing for a spacious salon with 2 lounging areas with telescopic tables. The light woodwork provides great brightness, and the helm station at the front offers a nice view.

Since its acquisition in early 2023, the owner has undergone a refined cosmetic refit with leather sofas, a rather cozy outdoor upholstery, and the equipment is quite generous: wine cellar, hydraulic gangway, tenderlift, air conditioning, large generator, and 2 Volvo 300 hp engines for comfortable performance.

On the starboard aft, you will find the owner's suite with its privileged access to the aft skirt for morning swims, as well as 3 double cabins and crew quarters.

The foredeck is entirely teak-laid to allow for a unique lounging space, while the fully protected flying bridge also offers real areas dedicated to relaxation and leisure. LIBERTY M awaits its new cruising program! More information and photos on the website xboat.fr
