Cap Camarat 7.5 WA Series 2 &acirc;#128;&#147; 2016 &acirc;#128;&#147; Yamaha 225 HP &acirc;#128;&#147;  
Nearly New Condition!

Be captivated by this stunning Cap Camarat 7.5 WA, an open walkaround that combines elegance, comfort, and performance! Launched in 2016 and powered by a robust Yamaha 225 HP engine (only 120 hours), it has been maintained exclusively by a professional and is now in exceptional condition. As a first owner, all invoices are available.

This Cap Camarat 7.5 WA is a true gem: all the interior upholstery is still under original blister packaging, evidence of its minimal use and the care taken in its maintenance. Ready to sail without any expenses to incur, it will offer you unforgettable outings with family or friends.

Its features will not fail to captivate you:

&acirc;#128;&cent; Comfortable cabin with separate marine toilet  
&acirc;#128;&cent; Equipped kitchenette: sink + 12V refrigerator  
&acirc;#128;&cent; Electric windlass  
&acirc;#128;&cent; GPS fishfinder Tracker Helix 7  
&acirc;#128;&cent; Auto radio Fusion  
&acirc;#128;&cent; Dock charger and 2 batteries (one for the engine and one for services)  
&acirc;#128;&cent; Waterski mast  
&acirc;#128;&cent; Fore and aft sun loungers for relaxation  
&acirc;#128;&cent; Bimini

Versatile and convivial, the Cap Camarat 7.5 WA is perfect for coastal cruising, sea escapades, or water sports. Its high-performance hull designed by Jeanneau and its Yamaha 225 HP engine offer an excellent balance between power, comfort, and safety.

Thanks to its shallow draft and respectable beam for its length, the hull offers a good compromise between maneuverability, stability at anchor, and water penetration capability.

The deep-V hull reduces roll and offers a drier ride (less splashing).

Longitudinal stability is optimized by the arrangement of masses (tanks, engine, equipment) to limit "squatting" or "porpoising" under load.

Its behavior at sea is renowned as "safe and responsive," with good agility in maneuvers.

Don't miss this rare opportunity: a Cap Camarat 7.5 WA as well-equipped, as little used, and in such excellent condition is very rare on the market! More details and pictures on [xboat.uk](http://xboat.uk)
