<p>Regal 176SC now in the online auction. everyone can bid until 16 March 2026.

<h2>Regal 176SC Speedboat â#128;“ Sporty Day Boat with Comfort and Performance</h2><p>The Regal 176SC from 1998 is a compact and sporty speedboat that is perfect for recreational use on inland waters. With a length of 5.50 meters and a width of 2.30 meters, this polyester boat offers a balanced combination of maneuverability, speed, and comfort. The boat is designed for water sports enthusiasts and day trips, and is equipped with a powerful MerCruiser inboard engine that ensures dynamic performance on the water.</p><h3>Regal 176SC now in the online auction. Everyone can bid until March 16, 2026.</h3><h3>Powerful Engine and Impressive Sailing Characteristics</h3><p>Under the hood is a MerCruiser Alpha One with Thunderbolt IV ignition, a 6-cylinder gasoline engine with a power of 220 HP. This engine configuration allows speeds of up to approximately 70 km/h, making the Regal 176SC an attractive choice for water sports activities such as water skiing or wakeboarding. The electric start ensures smooth and easy operation, while the available instruments â#128;“ including a fuel gauge, oil pressure gauge, temperature gauge, and tachometer â#128;“ provide the driver with all necessary information while sailing.</p><h3>Comfort and Ease of Use Onboard</h3><p>Despite its compact size, the Regal 176SC offers surprisingly much comfort. The standing height inside is 1.80 meters, contributing to a pleasant experience onboard. The boat is equipped with a bimini top for shady moments on sunny days, as well as a cover for protection during storage or transport. The swim ladder at the rear makes it easy to get back onboard after a refreshing dip. Fenders and lines are included, facilitating docking in harbors or at piers.</p><h3>Electrical Provisions and Safety</h3><p>The electrical installation is based on a 12V system and is powered by an alternator and a single battery. A voltmeter provides insight into the battery voltage. For safety, the boat is equipped with an electric bilge pump and a fire extinguisher. Navigation is supported by a compass, contributing to safe sailing, even on less familiar waters.</p><h3>Trailer and Transport Options</h3><p>The Regal 176SC comes with an EZ Loader road trailer. This American trailer is 6.50 meters long and 2.40 meters wide, and is equipped with a hand winch and 15-inch wheels. The trailer is unbraked and non-tiltable, but offers sufficient stability for transport over short and medium distances. Thanks to the compact size of both the boat and trailer, the whole is easy to maneuver and store.</p><h3>Stylish Appearance and Extra Equipment</h3><p>The boat has a sporty appearance that matches its performance. Inside, the boat is equipped with LED lighting and an audio system with a subwoofer, enhancing the atmosphere while sailing. The combination of speed, comfort, and style makes this speedboat an attractive choice for those looking for an accessible way to enjoy the water.</p><h3>Suitable for Recreational Use</h3><p>The Regal 176SC is ideally suited for day trips and recreational use on inland waters. The previous owner used the boat for relaxing trips and water sports, which fits well with the character of this model. The boat is ready to sail and offers an accessible entry into the world of speedboats, with enough space for friends or family to enjoy a day on the water together.</p><h3>In Summary</h3><p>This Regal 176SC from 1998 is a sporty and functional speedboat with a powerful engine, practical equipment, and a trailer for easy transport. Ideal for those looking for a compact day boat with sufficient power and comfort for recreational use. Thanks to its maneuverability, speed, and user-friendly layout, this model is an attractive choice for both novice and experienced water sports enthusiasts.</p></p>
