Remarks :

British-built. Boldly Twisted.

Based on the renowned Cobra Nautique 9.7m hull platform, the Twisted T700R blends proven offshore performance with unmistakable presence. Delivered new last season and returned in part exchange for a new Twisted Scorpion, she has only around 20 hours’ use — offering a rare chance to step into an almost-new 700hp luxury RIB without the build wait.</p><p data-start="562" data-end="918">Every detail of this T700R was specified to elevate the experience. Powder-coated mouldings, bespoke upholstery and a full suite of Simrad electronics create a package that balances serious offshore ability with effortless style. Whether chasing the horizon, exploring the coast or tendering to a superyacht, the T700R delivers versatility with attitude.</p><p data-start="920" data-end="1034">Supplied complete with a custom SBS twin-axle trailer on Twisted alloy wheels and BF Goodrich All Terrain tyres.</p>
