SAT-TV : No	TV : No

Various

Remarks :
Building on the success of the Merry Fisher 1095, this second-generation model integrates the advantages of the flagship, the Merry Fisher 1295. She is distinguished by an incisive hull, providing optimal stability and performance, a spacious aft terrace and a safe, easy movement on board.

With the large swim platform on the water and the forward living area entirely adapted for relaxation, swimming and sunbathing are on the agenda...
Dedicated storage for paddleboards adds a practical touch, ideal for fans of water sports, for guaranteed lasting memories on the water.

Fitted on this specification are twin Yamaha 300hp Steer-by-Wire outboard engines in the upgraded white finish which deliver seamless power and precision, paired with an advanced autopilot system and intuitive joystick control featuring an integrated bow thruster for effortless maneuverability.

This particular example comes with the full benefit of Jeanneau's 7 year hull warranty and 3 year general fixture and fitting warranty along with Yamaha's 5 year outboard engine warranty.

This boat is due to arrive with us in Spring 2026 and can be adapted to your specification.

Accommodation :

The interior of the Merry Fisher 1095 Series2 offers a fresh take on onboard living. The long galley now extends toward the cockpit, with an extended bar, thus optimising space for conversation and dining. The pilot seat, available in a rotating version, enables the space to be transformed into a true shared living area. And a built-in TV beneath the portside windshield adds a touch of contemporary elegance. The cabins have also been reimagined to offer superior comfort. The owner's cabin now features direct access to the head and shower compartment, guaranteeing added privacy. The berth is more easily accessible from both sides with an intermediate step for comfortable access, and features a headboard with LED lighting, while highquality materials in the head and shower compartment contribute to the overall aesthetic. The aft cabin, equipped with twin beds, ideal for kids or guests makes the Merry Fisher 1095 Series 2 an ideal choice for families or excursions with friends.
