The Merry Fisher 795 Series 2 combines the best of Jeanneau's design heritage with the modern comforts and practicality demanded by today's boaters. Designed for versatile use, she offers true flexibility &mdash; equally suited to family cruising, fishing trips, or relaxed weekends afloat. The sleek lines, panoramic glazing, and thoughtful layout give the 795 S2 a light, open feel, while her clever use of space makes her exceptionally easy to live with.

Powered by a Yamaha 200HP drive-by-wire outboard, she delivers smooth, responsive handling and an efficient, confident ride. A bow thruster and trim tabs make close-quarters handling and balancing underway simple and precise, while the inclusion of Garmin electronics ensures confident navigation wherever she goes.

The wheelhouse offers 360&deg; visibility and effortless access to the cockpit through wide sliding doors. Inside, there's a forward-facing helm position, dinette area and a well-appointed galley. A separate heads compartment and a comfortable forward cabin with double berth provide practical overnight accommodation for couples or young families.

The overall feel is modern, practical, and ready for a wide range of on-water adventures.

With her efficient hull, comprehensive specification, and adaptable layout, the Merry Fisher 795 S2 represents a perfect balance between cruising comfort and day-boat simplicity &mdash; a capable and inviting compact cruiser from a highly respected brand.
