**Remarks :**

Colvic Sea Rover 28 - Refurbished in 2018 with a new Beta 20 Inboard Engine. Triple keel design, ideal for cruising around shallow waters and drying out in harbours.&nbsp;

A very solidly built cruising boat, with great potential. Requires some cosmetic attention, and offering fantastic value for money.

See our YouTube walkthrough for a closer look inside:&nbsp;<https://youtu.be/SM0JuTlgx2s>
