## Various

**Remarks :**

The Viko 21 is a modern cruising trailer sailor that is excellently designed to give you as much space as is possible for a 21 foot yacht. The layout of the cockpit is well designed, allowing space for you and your crew to sail freely. Down below is similarly well designed with a single cabin with two double berths. The Viko 21 is a fast, manoeuvrable craft ideal for day trips, weekend trips and racing. Her centreboard with shallow draft lets you explore coastal regions and up shallow rivers.&nbsp;

'Angel' was launched in 2023 and is essentially a 'new' boat. She is a high specification version of a Viko 21 with an imitation teak cockpit, a backstay fitted, tricolour nav lights, a roller reefing jib, a bilge pump and heads fitted, a fixed bowsprit for a 23 square metre gennika that is new and unused and cleats fitted to aft to control the gennika. She also comes with a trailer and a 5hp Mercury Sail Master outboard. This is the best Viko 21 on the market.&nbsp;

This Viko 21 is a quick and capable coastal cruising yacht, she is exciting to sail and provides a safe, comfortable cruising experience.

**Accommodation :**

Fitted sea Head

Kitchenet/sink

Water tank built in in for cabin
