HULL:

- The underwater works of the vessel have been sandblasted in 2023
- A bump on the starboard midsection
- The hull is not insulated

In summary:

THE ADVANTAGES OF THIS SAILBOAT

- This OVNI 43 sailboat is generally ready to sail and operational on a technical level!
- This boat has already been prepared for long-distance cruising in 2020 and in 2023
- Energy autonomous with its updated equipment!
- Dormant rigging replaced 2 years ago!
- Warm and comfortable interior - elm woodwork - varnished floor
- All upholstery has been redone in 2023
- The drive system is functional, it has been serviced in 2023!
- There is a viewing hatch in plexiglass to visualize the lifting of the keel
- The RUDDER and the rudder system have been completely replaced
- The new owner will only have to carry out the usual preparations and small updates before departure.

IDEAL FOR SOMEONE WHO WANTS TO LEAVE
