## Various

<p>Crownline 250 CR now in the online auction. everyone can bid until 16 March 2026.

<h2>Crownline 250 CR &acirc;=&#128;&#147; Sporty Speed Cruiser with Comfort and Versatility</h2><p>The Crownline 250 CR from 1996 is a sporty and comfortable speed cruiser that is perfect for both day trips and multi-day stays on the water. With a length of 7.46 meters and a width of 2.59 meters, this polyester motorboat offers a balanced combination of space, performance, and ease of use. The boat is built by the renowned American shipyard Crownline and features a V-hull, which ensures stable sailing characteristics, even at higher speeds or on open water.</p><h3><strong>Crownline 250 CR now in the online auction. Everyone can bid until March 16, 2026.</strong></h3><h3>Layout and Comfort Onboard</h3><p>Inside the Crownline 250 CR, there is a surprisingly spacious cabin with a standing height of 1.85 meters. The layout is practical and focused on comfort, with a fixed sleeping area for two people and the possibility to create two additional sleeping places. This makes the boat suitable for a weekend away with family or a couple of friends. The cabin is equipped with a dining area, mattresses, a stove, refrigerator, oven, freezer, and hot water, making self-sufficient living on board quite possible. A manual toilet and a shower are also present, enhancing the comfort level during longer trips.</p><h3>Engine and Performance</h3><p>The Crownline 250 CR is equipped with a Volvo Penta AD41 P/DP diesel engine with a power of 200 hp. This 6-cylinder inboard engine with duoprop stern drive delivers solid performance and allows for fast sailing, with a top speed of approximately 50 km/h. The engine is electrically started and supported by an alternator, battery charger, and shore power connection. The fuel tank has a capacity of 250 liters, providing a large range. The boat is equipped with various instruments such as a fuel gauge, oil pressure gauge, temperature gauge, and tachometer, contributing to a safe and controlled voyage.</p><h3>Navigation and Equipment</h3><p>For navigation, the boat is equipped with a Raymarine RC320 chart plotter, log/speedometer, and VHF radio. This equipment makes it easy to navigate both inland waters and open sea. The electric anchor winch with chain makes anchoring simple and efficient. Externally, the boat is equipped with a sprayhood, cockpit tent, tarpaulins, cockpit table, fenders, lines, swim ladder, and a swim platform. A stern shower provides extra comfort after swimming. The self-draining cockpit and electric bilge pump contribute to onboard safety.</p><h3>Sailing Experience and Possibilities</h3><p>This Crownline 250 CR is suitable for various sailing areas, including inland waters, canals, lakes, rivers, and even coastal waters. The boat has been used in the past for pleasure cruising, sporty trips, and relaxing day outings. Thanks to the combination of speed, comfort, and equipment, this speed cruiser is an attractive choice for water sports enthusiasts looking for a versatile motorboat with character.</p><h3>Style and Appearance</h3><p>The Crownline 250 CR has a sporty appearance with classic lines and a functional design. The polyester hull is shaped with a deep V-bottom, which not only contributes to the sailing characteristics but also to the dynamic look of the ship. The cockpit offers ample seating and can be fully enclosed with the bimini and the supplied tent, making the stay on board pleasant even in less favorable weather.</p><h3>Summary</h3><p>With its powerful engine, comfortable interior, and extensive equipment, this Crownline 250 CR is an attractive choice for those looking for a sporty motorboat with overnight possibilities. The boat offers space, speed, and functionality in a stylish package and is suitable for various sailing areas and purposes. Whether it's a relaxing weekend on the water or a sporty day trip, this speed cruiser offers a versatile sailing experience.</p></p>
