<h2>Fairline Targa 29 &acirc;#128;&#147; Sporty Motor Cruiser with Comfort and Performance</h2><p>The Fairline Targa 29 from 1998 is a sporty and stylish motor cruiser that is perfect for both day trips and multi-day boating vacations. With a length of 9.50 meters and a width of 3.00 meters, this vessel offers a balanced combination of agility, comfort, and space. The polyester hull with a V-bottom ensures stable sailing characteristics, even at higher speeds or on open water. This Fairline is equipped with two powerful Volkswagen TDI 260 diesel engines, each with a power of 224 hp, ensuring dynamic performance and smooth sailing.</p><strong>Fairline Targa 29 now in the online auction. Everyone can bid until April 20, 2026.</strong></h3><h3>Layout and Comfort Onboard</h3><p>Inside, the Fairline Targa 29 offers a surprisingly spacious and functional layout. The headroom of 1.85 meters contributes to the comfort, while the smart layout provides space for four fixed berths and two additional berths. This makes the vessel suitable for families or couples who enjoy spending extended time on the water. The salon features a cozy dining area, which can easily be converted into extra sleeping accommodation. The galley is equipped with a stove, oven, refrigerator, and hot water, making self-sufficient sailing possible.</p><p>The presence of a manual toilet and a separate shower provides extra convenience during longer stays onboard. The central heating (CH) makes the vessel suitable for use in the early and late seasons. The water tank with a capacity of 160 liters offers sufficient capacity for multi-day trips.</p><h3>Extensive Equipment and Navigation</h3><p>This Fairline Targa 29 is equipped with a wide range of electronic and nautical facilities. Navigation is facilitated by the presence of AIS, GPS, chart plotter, radar, depth sounder, fishfinder, log/speedometer, compass, and VHF radio. The rearview camera provides extra visibility when maneuvering in harbors or docking. Thanks to the combination of a bow and stern thruster, the vessel can be precisely and easily controlled, even in tight spaces.</p><p>The electric anchor winch with chain makes anchoring easy and safe. For power supply, the vessel is equipped with a battery charger, inverter, shore power connection, and a 12v/220v system, ensuring reliable energy supply onboard.</p><h3>Outdoor Living and Style</h3><p>The exterior of the Fairline Targa 29 is designed with comfort and ease of use in mind. The spacious swim platform with swim ladder provides direct access to the water, ideal for recreation and water sports. The cockpit is equipped with a cockpit table and comfortable outdoor cushions, sheltered by a bimini for shade on sunny days. The teak deck and stainless steel guardrail contribute to the luxurious appearance of the vessel, while fenders and lines ensure a safe mooring experience.</p><h3>Sailing Experience and Performance</h3><p>The twin inboard diesel engines from Volkswagen provide powerful performance and smooth acceleration. With a combined power of 448 hp, the Fairline Targa 29 is suitable for both leisurely trips and more sporty sailing on larger waters. The boat has previously been used at sea, including trips on the Oosterschelde, which attests to its capabilities on open water. The V-hull contributes to a stable and comfortable ride, even at higher speeds or waves.</p><h3>Versatile Motorboat for Various Boating Needs</h3><p>Whether you are looking for a motorboat for day trips, weekend getaways, or longer vacations, the Fairline Targa 29 offers a versatile solution. The combination of space, equipment, and sailing characteristics makes this vessel attractive to both novice and experienced water sports enthusiasts. The modern appearance and practical layout ensure that you quickly feel at home onboard.</p><p>With its balanced specifications and extensive equipment, this Fairline Targa 29 is an interesting choice for those looking for a sporty and comfortable motor cruiser with character.</p></p>
