The Merry Fisher 895 Series 2 introduces refined design, superior comfort, and versatility to Jeanneau's popular line of family cruisers. Built for all-season enjoyment, it offers spacious accommodation, excellent visibility, and smart use of every inch on board. The twin Yamaha 200HP Steer-by-Wire engines provide smooth, precise performance, enhanced by joystick control and ZipWake automatic trim tabs for effortless manoeuvring and stability.

Inside, the updated layout feels bright and inviting, featuring a U-shaped saloon, convertible seating, and carefully crafted finishes in the new Jumbo Pure upholstery. The well-equipped galley includes a fridge, Corian details, and practical storage, while two private cabins provide comfortable sleeping arrangements for extended stays on the water.

On deck, the L-shape cockpit and forward sunpad create sociable, relaxing outdoor areas, complemented by thoughtful touches like the roof rack for paddleboards and optional lighting that enhances ambience at night. The Merry Fisher 895 Series 2 is an outstanding expression of modern boating design – ideal for coastal cruising, family adventures, or relaxed weekends away.
