 Highfield Patrol 700 – 2022 Build (2023 Model, Launched 2024) – Honda 150HP (230hrs) – MCA Coded – ¼ Share for Sale £14,000

A rare opportunity to acquire a **¼ ownership share** in this nearly new **Highfield Patrol 700**, built in 2022 to 2023 specification and launched in 2024. Combining Highfield’s professional-grade aluminium construction with Honda reliability, this model offers an impressive blend of strength, performance and efficiency.

Powered by a **Honda 150HP outboard** showing approximately **230 running hours**, the Patrol 700 delivers confident performance, smooth handling, and excellent fuel economy. It is **MCA coded for up to 8 persons** and has been maintained to commercial standards as a professional training vessel. Equally suited to continued coded operation, it would also make a superb private or shared leisure RIB.

Highfield’s Patrol series is renowned for its deep-V aluminium hull, exceptional sea-keeping, and robust build quality. This example benefits from **Hypalon tubes**, a commercial-grade deck layout, comfortable seating, and ample storage, offering both durability and practicality for varied use.

An **Extreme EXT1900 Super Roller galvanised trailer** is available by separate negotiation, providing easy transport and launch capability.

This offering represents an affordable entry into Highfield ownership with reduced running costs and shared usage flexibility. The vessel is presented in excellent condition, with low hours and a specification ready for immediate use.

Key Features:

- Built 2022 (2023 model), launched 2024
- Honda 150HP outboard (approx. 230hrs)
- MCA coded for 8 persons
- Aluminium deep-V hull and Hypalon tubes
- Maintained to commercial standards
- ¼ share available at **£14,000**

For further information or to arrange a viewing, please contact our **Kent – Chatham Office on +44 (0)1634 571605**.

Accommodation :

The Highfield Patrol 700 offers a practical and versatile seating arrangement designed for both comfort and functionality. At the helm, there are five jockey seats, providing secure, shock-absorbing positions ideal for high-speed operation and training use. Each jokey seat has a storage area below.

Aft, the boat is fitted with a three-person rear bench seat complete with integrated storage beneath, offering additional practicality for gear and equipment. To starboard, there is an extra jockey seat for crew or trainees.

This layout makes the Patrol 700 highly adaptable, whether in commercial use, as a coded training vessel, or for private leisure use where comfort and space are equally important.
