**Remarks :**

The Catalina 445 is a rare opportunity and a testament to Catalina Yachts' reputation for blending elegant, contemporary design with cruise-ready features. This vessel, "Waterval," has been privately owned and meticulously maintained by its single owner. Designed for comfortable cruising, the Catalina 445 is ideal for long voyages or life aboard, offering a blend of performance, safety, and luxury. Whether you're island-hopping or setting off on extended adventures, this yacht has all the features needed for both comfort and performance.

**Highlights:**

- EU VAT paid
- Single-owner vessel, privately used
- 3-cabin, 2-head layout with flexible cabin option

- Comprehensive navigation and safety systems
- Well-maintained and fitted with new sails

**Remarks:**

The Catalina 445 showcases the best of Catalina's flagship design, combining modern styling with features that ensure both comfort and security whilst underway. This privately-owned vessel has been carefully maintained by its sole owner, and its 3-cabin, 2-head layout includes a flexible cabin option that provides versatility for any cruising situation.

It is not often that such a well-equipped and beautifully maintained Catalina 445 becomes available on the market&mdash;this is a rare opportunity. The Catalina 445 has earned praise from many sources, including Sailing Magazine, which highlights the innovative tilting bed in the owner's cabin, operated by a rocker switch for extra comfort.

"Waterval" is a fully-equipped, self-sufficient, and luxurious vessel, perfect for cruising or liveaboard lifestyles. This meticulously maintained boat, owned by a single private owner, offers the finest in comfort and practicality.

**HISTORY**

Privately owned since new, "Waterval" has been meticulously maintained by her current (only) owner. Regular servicing and updates have been made to ensure the vessel remains in excellent condition, with new sails added in 2024. She is currently ready for cruising or liveaboard adventures.

**Manufacturer Provided Description**

The hull 445's hull form is optimized to provide the gentle, predictable motion underway, which is so appreciated in other Catalina models. The deck is strikingly handsome with a low profile cabin structure, twin helm stations and a roomy cockpit with tall, secure comfortable coamings and a cockpit table that seats 4-6. The deck is finished with a traditional diamond-patterned non-skid.

The owner's cabin is forward for privacy and optimum ventilation. Private head access from the forward cabin along with a electric head and separate shower complete the forward cabin arrangement. The guest cabin is aft with a large comfortable double berth, angled for easy access and greater headroom. This design incorporates a innovative cabin on the port side. This cabin is a flexible space that can easily be converted to whatever your cruising style dictates at the time-sleeping quarters, storage, or a work room with a bench. The galley has the storage and features needed for extended cruising.

**Sail Area**

I : 53.50 ft

J : 15.58 ft

P : 51.50 ft

E : 17.00 ft

**Keel Details**

Keel #1

Keel Type: Wing
