<p>XBOAT ref: 6238.

My Chaparral 250 Signature is a rather rare model on the market, it has low hours (about 500 h), it is equipped with safety features for coastal navigation, it is equipped with hydraulic trim tabs, an electric windlass, 4 speakers, an automatic bilge pump, a 220 V socket, an electric refrigerator, a black water tank, complete exterior upholstery, full covers (probably to be replaced soon). The engine is regularly serviced and maintained. More information and photos on the website xboat.fr</p>
