Various

Exhilarating performance and perfect handling are combined with EVO's renowned aesthetics to offer guests a truly sublime experience on the water. Available from summer 2023 at pre-order price.

Iconic lines marked out all EVO Yachts and the same purity of design has been passed on to this new 60 feet yacht. The large glassed cockpit with a full hard-top is instantly recognisable, and thereâ€™s Evo`s usual uncompromising focus on more deck space for indoor-outdoor living.

Linear surfaces
Wrap-around glazing complements the angular sweep of the windscreen and envelops a large cockpit. This offers the room for an extra large dining and BBQ area and large sofas.

Cabinets on both sides can be customised with the ownerâ€™s choice.

Hi Performance
Top speed reaches a heady 39 knots with the optional upgrade to Volvo Penta IPS950 drives. But even at 32 knot cruising speed, the yacht has a large mile range.

The hybrid open
R6 mixes the sporty and sleek lines that usually define open boats with all the room and comfort of a cabin cruiser.
