Microwaves : No	Oven : No
Electric stove : No	Gas stove : No
Washing machine : No	Heater : No
TV antenna : No	Dishwasher : No
SAT-TV : No	TV : No

Various

<p>Solar Power Redefined
Unique in the industry, the Sunreef 80 Ecoâ€™s solar power system features ultralight composite-integrated solar panels within the hull sides, mast, superstructure and bimini roof. This patented system was entirely engineered and produced by the Sunreef Yachts shipyard and offers the best efficiency in the marine world.

Generating Energy Under Sail
The Sunreef 80 Ecoâ€™s sail wardrobe includes a 200mÂ² main sail, 155mÂ² Genoa, 340mÂ² gennaker and 70mÂ² staysail. While under sail, the Sunreef 80 Eco recovers energy from the passive motion of the two propellers thanks to an advanced hydro generation system. The energy obtained is used to power both the electric propulsion and house appliances.

Green Hi-Tech
Below the main deck, the yachtâ€™s battery bank consists of custom-engineered batteries combining light weight with outstanding efficiency. The Sunreef 80 Ecoâ€™s air conditioning is the lightest and most efficient in the marine industry.

Yacht & Charter Management in one hand
Do you like to sail in warm waters whilst getting a return on investment with Navigare Yachting?

Being a Yacht Investor means that you have ensured your investment and future dream holiday through our advanced knowhow, leading services and high standards.

We take care of everything so that you can experience and enjoy the freedom of sailing whenever you like and receive a return of investment up to 84% on your sailing boat.

For every boat a generous amount of the investment is reserved for maintenance, which guarantees a famous high quality and an increased resale value. All staff works according to Swedish ethics and standards and will take care of both our customers and your boat in the best possible way.

Next Level Luxury
The Sunreef 80 Eco can welcome up to eight guests on board. The catamaranâ€™s starboard hull houses an opulent and light-filled master suite, fitted with a double bed, a walk-in dressing, a pop-up TV, sofa and vanity desk. The generous ensuite bathroom follows the contemporary style of the master stateroom.
The custom layout also includes a large VIP cabin in the middle section of the portside hull as well as two identical guest cabins in the bow portion of each hull. Portside off the main deck, the yachtâ€™s galley provides plenty of storage options and is fully-equipped with restaurant quality amenities.
The main deck saloon offers lots of lounging and dining space with two oversized settees and a convertible table amidships. Towards the bow, the Sunreef 80 Eco features a fully-equipped bar with a piano and pop-up TV.
