Being a Yacht Investor means that you have ensured your investment and future dream holiday through our advanced knowhow, leading services and high standards.

For every boat a generous amount of the investment is reserved for maintenance, which guarantees a famous high quality and an increased resale value.

A BETTER ERGONOMICS AND MAXIMUM COMFORT

Sleek, intrepid, thirsty for wind & waves, embodying precision and finesse, the SIXTY 5 is made to navigate the known and the unknown, to share adventures with your loved ones, and above all, to be at one with your yacht.

OUTDOOR: UNIQUE OPPORTUNITIES FOR THIS YACHT CATEGORY

With its slender hulls, all in sculptural curves, the SIXTY 5 displays its belonging to the world of luxury sailing yachts.

The secret of its beauty lies in the sensual lines, an alliance of both tradition and modernity, which orchestrate its generous proportions.

INTERIOR: LUXURY AND COMFORT COME WITH SPACE AND LIGHT

Aboard the Lagoon SIXTY 5, you can look straight through fore to aft and out over the surroundings with commanding 360° views. The main saloon is comfortable and luxurious with open spaces and natural light. The same design concept is applied to cabins, which enjoy good overhead height and excellent natural light and views. The level of finishing repeats the luxury from the saloon while the owners cabin picks up and improves concepts from the successful Lagoon 620: a private water access aft like a terrace on the sea. Of course the master cabin is my favourite place on board, where luxury, comfort and style are best combined.</p>
