<p>The FP48 is a dream catamaran for the owner's ideal ocean adventures.

At nearly 15 meters long, the FP48 is surprising by her efficient layout. The living space is all about ergonomic innovation. The saloon and cockpit connect through a wide 3-meter sliding door, opening up the whole area to create one big space. At the back you will find a relaxing area adjacent to the water: relax on the chaise longue in total privacy as you watch the wake, or hang out with the others on the large cockpit bench and cosy seats. Prefer a higher point of view? Make the most of the view from the rooftop sun loungers or head to the front deck, fully fitted with optional loungers. The only challenge will be having to chooseâ=€¦
