Various

Elegance is ensured by the bulwark trim with exclusive teak wood. Thanks to this, the catamaran has a timeless character, and the new connector concept and the elongated line of the superstructure give it a unique level of comfort.

UNIQUE LUXURY

The architecture of the Moon Yacht redefines the concept of luxury and space for catamarans.

AN AVANTGARDE CONCEPT

The unique superstructure made it possible to level the saloon and the main deck, creating a sun deck.

NEW QUALITY

The combination of a traditional sailing boat with modern styling is perfect for relaxing on the seas and oceans.
