Various

<p>CREATE YOUR INDIVIDUAL SUPERYACHT

Our Y9 is unique and so is every single Y9. Above all, she is as individual as our customers themselves, because her layout and equipment are completely variable. Complementing this, the Y9 offers the volume of a 100-foot yacht in 90 feet. And she is available in three exciting versions €“ Y9, Y9 Pilot House, Y9 Custom.

The main focus for Y9 owners is spending time with family and friends on board. As a result, the 90-foot carbon sailing yacht is easy to sail even with a small crew. Her interior design fulfills and even extends all owners€™ wishes for a family yacht with sufficient privacy while they travel the world. Of course, the Y9 can also prove her potential on regatta courses in the Mediterranean or the Caribbean and sail right at the front of the field. She will be a formidable opponent in any regatta.

Like all Y9s, the Y9 follows a clear design philosophy €“ reducing all unnecessary superstructure and components to create a clean and minimalist deck: Keep it simple.

Look good and sail nicely.

THE Y9 BRINGS IMMEASURABLE JOY TO ITS OWNER

The luxury of being able to set out to sea selfsufficiently and with confidence is priceless. Even more enjoyable, is a comfortable, high performance and seaworthy yacht that sails fast and looks cool. Our Y9 delivers that in a way no other yacht can.

Y9 - huge interior space and cutting-edge look

She combines blue water reliability with fast cruising enjoyment.

Large cockpit and foldable beach club

A private atmosphere by being close to the water.</p>
