Various

<p>New 70s

A catamaran yacht designed to match your rhythm.

Up to 8 layout configurations.

With the galley opening onto the aft terrace or positioned along the passageway, 3 to 6 guest staterooms, and up to 5 crew cabins, each arrangement is designed to enhance every moment on board and meet your lifestyle needs.

A refined selection of materials, textures, and tones creates an atmosphere that reflects your personal vision. And beyond that, Fountaine Pajot is by your side to craft fully bespoke solutions.

Available under crewed charter management

Together with our partner, Euroyachts offers yacht charter management in worldwide destinations with a fleet of over 400 yachts. Our exclusive network partners of carefully selected and qualified charter operators for sailing yachts, catamarans or motor yachts from the major shipyards such as Lagoon, Bali, Jeanneau, Beneteau, or Evo Motoryachts can help you to get your dream yacht even financed.

Exclusive new features include:

Two side cockpits with opening wings,

A Beach Club thatâ€™s 100% overlooking the sea to make the most of the anchorages,

Storage spaces have been designed for all the toys, including forward lockers for paddleboards or scuba gear, and at the stern, a specific storage area for a water scooter under the large central bench seat.

Elegance and FP DNA

In true Fountaine Pajot style, youâ€™ll find the line of the coachroof and the large windows giving an exceptional view of the sea, thanks to the glazed areas descending lower than the deck edge. The flybridge offers a magnificent area with dedicated relaxation, reception and navigation areas. The twin helm stations have been re-centred, with a winch for sailing manoeuvres positioned away from the relaxation areas. A real work area is thus reserved and protected for the crew.</p>
