<p>The BALI 4.8 Open Space brings together the best of the original characteristics that make up the DNA of BALI catamarans.

In addition to the recognized innovations such as the rigid forward cockpit with lounge area and sunbathing area; the new platform linking the two sugarscoops with large bench seat and lockers; the large tilt and-turn door and sliding windows; and a panoramic relaxation area on the coachroof, the BALI 4.8 offers, as does the 5.4, new access to the forward cockpit by an interior door and cabins by panels opening onto the aft cockpit.
