Heater : No	Electric stove : No
Dishwasher : No	Washing machine : No
TV : No	TV antenna : No
	SAT-TV : No

---

## Various

<p>XBOAT ref: 6241.

My Bavaria 30 Cruiser is an excellent sailboat that I am completely satisfied with. It has perfectly met my sailing project, it is very easy to maintain, and at sea it is reliable and reassuring, which is generally what one expects from their sailboat. The sails have recently been serviced, they are in good condition, the boat is equipped with a VHF AIS, an autopilot on a wheel, and complete navigation electronics for offshore cruising. The clear panels of the sprayhood have been replaced recently, it is equipped with a bimini, the cockpit is spacious and friendly. Easy access to the rear platform. In detail:

Energy & comfort:

2 independent photovoltaic panels, 220 V sockets in all cabins, 12 V USB & mini USB sockets, new main service battery (2024) &#128;&#147; Numax Marine Leisure XV80MF Dual, 12V TV on board, Car radio

Electronics & navigation: Raymarine ST4000 autopilot (newly installed in May 2025), Raymarine ST60+ wind vane

Sails & protection: Lazy bag and sails regularly maintained, Bimini + central sunshade

Sprayhood serviced and reinforced every year

???? Highlights:

Boat ready to sail without additional costs anticipated

Maintenance followed every year (engine, sails, sprayhood, upholstery)

Short keel + sail drive = optimal maneuverability and versatility

Optimized comfort for cruising, ideal for couples or families
