Electric stove : No	Gas stove : No
Washing machine : Yes	Heater : Yes
TV antenna : No	Dishwasher : No
SAT-TV : Yes	TV : Yes

---

## Various

<p>XBOAT ref: 6243.

We acquired this Cranchi 43 Atlantique 2 years ago and we have had some very nice cruises during the summer season in the Mediterranean. Everything works very well on board and we take great care of maintenance and servicing. It is ready to sail at any moment. We are very pleased with the comfort on board and the reliability of the IPS engine. It is very easy to maneuver the boat in ports and the engines are not very thirsty, which is an important point when you love to sail regularly like we do. As seen in the photos, the boat is completely covered during the winter, which is very pleasant to enjoy in any season.

We have equipped it with everything necessary on board for cruising: large capacity service batteries, 3.5 kVa generator for air conditioning and onboard equipment, there is also an inverter, an ice maker, 2 refrigerators, a satellite antenna for Immersat TV, the gangway is hydraulic, and there is a washing machine. The dinghy and its engine are optional (not included in the sale price). More information and photos on the website [xboat.fr](http://xboat.fr)</p>
