## Various

**<strong>Remarks :**

**1999 BAVARIA 31**. Fin keel. Sloop rig, with new Mainsail and Headsail. Volvo Penta MD2020 (19hp) with a sail drive. "Seren Wen" (Welsh for White Star) is easily handled and rigged for solo sailing. She has 6 berths in 2 cabins and saloon; head with handbasin and shower; a galley with a good-sized fridge; pressurised water system including hot water from both the engine and shore power; auto-pilot and easy reefing. With only 5 owners from new, she is a good example of this popular yacht, having had several improvements to aid safety and enjoyment aboard; including a folding propeller, and a comprehensive suite of navigation equipment including binnacle mounted GPS plotter with radar overlay and AIS. Kept in good overall condition "Seren Wen" would suit a young family or those who need when cruising something easy to sail.

**Manufacturer's Provided Description**

[illegible]
