- Interior Finish: Upgraded Italian light oak cabinetry, white bulkheads, Acacia effect sole boards, light brown upholstery
- Hot/Cold Water: Pressurised system via calorifier and immersion coil

Sails & Rigging

- Rig: Fractional sloop, Selden double spreader mast/boom, solid kicker
- Standing Rigging: Stainless steel, adjustable backstay
- Running Rigging: Dyneema halyards, all lines led aft
- Mainsail 1**: Elvstrom FCL tri-radial laminate, fully battened, slab reefing, lazy jacks, stack pack – original
- Mainsail 2**: – Kemp Mainsail – **Brand new May 2025** VEC 084 with Uvi Performance Cruise PREMIUM PLUS mainsail manufactured in VEKTRON sailcloth (reinforced with vectran), as a cross-cut and loose-foot design. Bonded then seamed in at least 2 rows of 3-step zig-zag using Sunstop thread with advanced UV protection, including on graduated and shaped reinforcing patches. Comes with a headboard and

stainless-steel pressed ring at the tack and clew and all reefs, and includes Teflon anti-chafe reinforcement at ‘high wear’ points around the edges. Includes low friction plastic sliders and bolt rope on the luff, telltales on the leech, tapered battens, and an adjustable leech line that exits (and is adjustable using a metal cleat) at all the reefs and clew, plus a foot line, and luff Cunningham eye. Camber lines are placed across both sides of the sail, and a standard sail number is included, as well as 2 rows of reefing points with strapping reinforcement and reef pennant eyes across the sail, and including reef ‘spectacles’ in the luff reef eyes. Complete with sail trim guide and high quality Cordura drawstring sail bag. <p> </p><p> </p> Headsail 1: Self-tacking jib (Elvstrom FCL), Furler 200S furling – Original <p> </p><p> </p> Headsail 2: self-tacking jib – Brand New May 2025 – Headsail VEC 073 with Uvi Performance Cruise PREMIUM PLUS furling genoa manufactured in VEKTRON sailcloth (reinforced with vectran), as a cross-cut design. Bonded then seamed in at least 2 rows of 3-step zig-zag using Sun stop thread with advanced UV protection, including on graduated and shaped reinforcing patches that extend along the leech and foot for load bearing when reefed. Comes with webbings at head and tack and a stainless-steel pressed ring at the clew. Includes a luff tape to suit your Furler, telltales up the luff, and an adjustable leech line that exits near the clew to a metal cleat concealed within a secure pocket, plus a foot line and Velcro luff retention strap. Camber lines are placed across both sides of the sail as well as reef indication markers, sheet lead indicators, plus a sacrificial UV protective strip along the leech and foot in a standard colour Odyssey fabric (other UV colours are available at a small additional charge, and colour to be specified with order). Complete with sail trim guide and high quality Cordura drawstring sail bag. Additional Sails: Code Zero with New sock 2025 Winches: 2 x Lewmar 40 (sheet), 2 x Harken 32 (halyard), all self-tailing, 2-speed Mini-bowsprit: Yes, for Code Zero/Asymmetric <p>Deck & Equipment</p> Anchor: Delta with 30m 8mm chain, electric windlass (remote control) Cockpit: Twin wheel steering, teak table, removable cushions, hot/cold transom shower Bathing Platform: Drop-down, teak-laid, integrated swim ladder Other: Sprayhood, mainsail cover, fenders, warps, mooring gear, deck brushes, ensign/staff <p>Covers and Canvas Work</p> Covers and Canvas Work – new in May 2025 Kemp bespoke designed "Packaway" mainsail cover manufactured in synthetic woven Acrylic canvas offering high UV resistance and colour stability. One part system, high load lazyjack attachments (still the best designed mainsail bag on the market - beware of poor imitations!), and sewn using Sunstop thread with advanced UV protection. Featuring reinforced lower exit positions with slider base for reefs (or multi zip exits and plain tape base, for rope footed sails), on-passage stowage tie-down straps, protected top zip, mesh vents for air circulation and draining, and removable battens. Bespoke sprayhood re-cover using the existing frame and fittings. The sprayhood will be manufactured in coated acrylic canvas for increased water resistance (in a colour of your choice) and sewn using ‘Sunstop’ thread for UV protection. Our standard sprayhood features window/s in the forward facing panel, zipped bar pockets for easy fitting/removal, tie down straps to secure the hood when collapsed on deck and PVC rub patches where required. <p>Navigation & Electronics</p> Compass: Garmin pedestal VHF: B&G V50 DSC with H50 cockpit mic Instruments: B&G Triton multi-function (speed/depth/log/wind) at both helms (New wind speed sensor 2025 at top of mast) Chartplotter: B&G Zeus2 9" with AIS Autopilot: B&G below-deck with RC42 gyro compass Other: Navigation lights <p>Safety</p> Fire: 3 x extinguishers, fire blanket Lifebuoy: Horseshoe with floating light, Jon Buoy danbuoy Bilge Pumps: Manual and electric Harness Points: Cockpit Emergency Tiller: Yes Notes Engine professionally serviced (last: May 2025) Represents excellent value and has been well cared for Early viewing recommended <p>Additional Notes</p> Full Document pack from new, with all details on boat and equipment. Full Detailed Pre Purchase survey from 2023 available upon request.
