Various

XBOAT ref: 5582.

CAPELLI TEMPEST 900 WA equipped with a very resistant carbon fiber hardtop, offering uninterrupted visibility and allowing the upper part to be equipped with highly efficient solar panels. Very fast boat (42 knots), very seaworthy and allowing, thanks to its shallow draft, to anchor in very beautiful small coves. Economical and practical boat in perfect condition. Anti-fouling done in 07/2024, but the boat has only been used for 2 months since then. The original purchase invoice is available with the corresponding paid VAT. A new braked 2-axle trailer can be sold separately. More information and photos on the website xboat.fr
