Various

<p>XBOAT ref: 5582.

CAPELLI TEMPEST 900 WA equipped with a very resistant carbon fiber hard top, maintaining visibility and allowing the upper part to be equipped with very efficient solar panels. Very fast boat (42 knots), very seaworthy and allowing, thanks to its shallow draft, to anchor in very beautiful small coves. Economical and practical boat in perfect condition. Antifouling in 07/2024, but the boat has only sailed for 2 months afterwards. The original purchase invoice of the boat is available with the corresponding VAT paid. A new braked 2-axle trailer can be sold separately. More information and photos on the site xboat.fr</p>
