Various

Remarks :

We are pleased to bring to market this very impressive Brig Eagle 8. 'Sharky Too' is finished in the 'classic' colour combination featuring the military grey fabric impression orca hypalon tubes, off white GRP, black silvertex upholstery and mocha seadek.

She also comes equipped with the ever impressive Suzuki DF325hp engine offering incredibly reliable and exhilarating performance with speeds of up to 45 knots achievable. A high specification including an electric anchor windlass, electric sea toilet, bow sundeck infill, ski pillar, swim platforms with boarding ladder and full suite of boat covers culminates in a very attractive proposition to purchase one of the most sought after ribs on the market today.

She has been very well looked after by her current owner who has owned her from new and who has had her professionally valeted throughout his ownership. Current hours are 205 and having been last serviced in June 2025 she is ready to be used right away. Trailer pictured in advert is not included. The boat has been indoor dry-stack stored from new (until transferred to current location).

The BRIG Eagle 8 is a luxury family RIB (Rigid Inflatable Boat) known for its sleek design and stability. It's powered by a Suzuki 325 horsepower outboard engine (DF325ATX). The Eagle 8 features a deep V-hull, extended waterline, and extra-wide ORCA Hypalon tubes for a smooth ride.

Here's a breakdown of the key specifications:

BRIG Eagle 8 Specifications:

Length: 7.98 meters (26.2 feet)

Beam (width): 2.9 meters (9.5 feet)

Tube Diameter: 58cm

Number of Chambers: 5

Weight (empty): 1140 kg (2513 lbs)

Weight (fully equipped): 1725 kg (3803 lbs)

Max Payload: 1695 kg (3737 lbs)

Fuel Capacity: 340 Liters (89.8 gallons)

Fresh Water Capacity: 45 Liters (11.9 gallons)

Capacity: 11 (B) / 16 (C)

Design Category: B

Hull Material: Hypalon

Engine: Suzuki DF325ATX (325hp)

Steering: SeaStar Hydraulic Steering

Standard Features: Orca Hypalon tubes, SeaStar hydraulic steering, Lewmar electric windlass and anchor, modern console with helm and forward-facing bench, bow sundeck, aft dining area, ski mast, swim platforms with ladder and shower, self-draining deck

Suzuki DF325ATX Outboard Specifications:

Horsepower: 325 hp

Engine Type: Outboard, 4-stroke

Fuel Type: Petrol

Steering: Remote

Tilt: Power

Starter: Electric

Gear Case Design: Features a design to minimize resistance and provide efficient water flow to the propellers

Dual

Louver System: Direct intake system with a double shield of blades to eliminate water intake

Lean Burn Control System: Suzuki's Lean Burn system for fuel efficiency

Watergrip Propeller: Stainless steel propeller with an interchangeable bush for better grip and performance

Contra-Rotating Dual Propeller: Distributes engine torque more evenly, reducing torque per propeller and allowing for a smaller gear diameter

Top Speed: Can reach speeds of up to 45 knots (50 mph) - although we have recorded speeds of 47 knots

Cruising Speed: Typically around 26.07 knots (30 mph) - although we found 30 knots very comfortable for extended cruising

Additional Notes:

The Eagle 8 is known for its versatility and spaciousness, with ample seating and storage.

It's a popular choice for family outings and recreational boating.

The boat can be further customized with options like a T-Top, fridge, and other accessories.

The Suzuki DF325ATX engine is a popular choice for the Eagle 8, offering a good balance of power and fuel efficiency.

Please call us on 01243 550042 for more information.

Accommodation :

Toilet compartment with electric toilet

Inventory :

Navigation:

Garmin 923xv 9 inch plotter and GT20 transducer
