Various

Remarks :
 Elegant 32m Bodrum gulet built in 2009, offering three en-suite cabins for six guests, a spacious saloon and large outdoor living areas. Equipped with twin 330 HP Iveco engines, two 33 kW generators, Simrad navigation and 2×220 L/h watermakers. Designed for comfortable cruising and maintained to a high standard, ideal for private use or boutique charter. Ready for the 2025 season.
Accommodation :
 Accommodation for up to 10 guests in five en-suite cabins: one master, two double and two twin. All cabins feature private shower and WC, air conditioning and ample storage. Spacious saloon with dining and seating area plus LED TV. Separate crew quarters for four located forward, ensuring guest privacy. Hot and cold water systems and a fully equipped galley complete the interior comfort.

Mechanical :

 Powered by twin 330 HP Iveco engines, this gulet offers reliable cruising performance with an 11-knot cruising speed and a top speed of 12.5 knots. She is equipped with shaft drive propulsion, dual 33 kW generators and Simrad navigational systems. The vessel carries 6,000 litres of fuel, supported by two 220 L/h watermakers for extended autonomy. Traditional ketch rig configuration and wheel steering provide excellent handling and balanced sailing performance. Engine room is well-insulated and arranged for ease of access and maintenance.
