## Various

**Remarks :**  
The Jeanneau 24.2 is a light, fast and manoeuvrable small cruising yacht. With a lifting keel, it is perfect for inland cruising and river trips. She offers 4 berths, a galley with a 2-burner stove and an Eberspacher heater providing ample comfort for day and weekend trips. Equipped with Nav lights and Garmin navigational equipment that is state of the art and conveniently mounted in the cockpit, you will have no problem navigating from the helm position. All lines lead aft to cockpit and there is an autohelm allowing you to sail single or short handed.

The Jeanneau 24.2 is a fantastic cruiser for calm relaxed cruising or exciting upwind sailing. Her standing and running rigging is in good condition and her 9hp engine has been serviced regularly. This is the ideal boat for both experienced and inexperienced yachtsmen looking for adventure on the water, to develop their sailing skills and visit coastal and upriver destinations. With a maximum draft of 1.4m giving stability and great upwind performance as well as a minimum draft of 0.65m 'Bonne chance' can find her way to secluded spots uprivers and take on the elements out to sea.

She is available for viewing 7 days a week in Christchurch. Please contact Douglas Ross on 07469972705 to arrange a viewing.

**Accommodation :**
